

PERFECT FIT BENCHES/STORAGE

Cox Manufacturing, broadening our selection of fine accent furniture for "every room of every home."

These custom benches can be specified from 22" or 35" up to 72" in length to fit your home and decor.

Specifications:

Specify in order copy exact overall width desired (example: **PF794 AT 55"**).

Due to handcrafted nature of all Cox products, a plus / minus variable of up to 1" may occur from the specified length.

Depths and heights of the frames may not be changed.

We recommend a minimum inside seating width of 20"

All dimensions refer to outside dimensions.

Due to the custom execution of the bench, once production has begun, the order cannot be cancelled.

Customer assumes all responsibility for specifications used in their order.

Standard upcharges for options of trims, fabric options, etc. apply.
